

# 2019 Report on Giving

Packard Paws facility dogs like Donnie made 884 visits to provide comfort to patients, families, and staff.

In 2019, you and 15,427 other donors gave \$190 million to Lucile Packard Children's Hospital Stanford and the child and maternal health programs at Stanford University School of Medicine. Your generous support made all this and much more possible for patients and families in our care. **Thank you!**

739 patients received heart surgery.

Veranna and nearly 4,000 Summer Scamper-ers raised more than **\$580,000.**

110 grants for research were awarded across the university from the Stanford Maternal and Child Health Research Institute.

384 community members, including Aeshaan, hosted fundraisers raising more than \$850,000.

43% of our patients benefited from financial assistance.

Guests at The Dinner made **\$3.2 million** in commitments for compassionate and innovative care needed for our tiniest patients like Jase.

941 students attended our Hospital School.

Auxiliaries celebrated **100** years of service.

2,588 virtual reality sessions were launched, with games such as Space Pups and Fruity Feet, to provide comfort, pain relief, and distraction to patients.

We provided care for patients from **50** states & **47** countries.

Music therapists provided **2,678** sessions.

**1,087** stem cell transplants were performed at the Bass Center for Childhood Cancer and Blood Diseases.
