Monthly Giving Partner

## How our Monthly Giving Program Works

- Simply decide how much you would like to give each month.
- We will periodically send you exclusive updates on the hospital and the patients you have helped impact.
- Your gift will renew automatically, providing a lifeline of support for our patients year-round.
- You will receive an initial letter to acknowledge your generosity and welcome you as a Monthly Giving Partner.
- In January of each year, you will receive a statement summarizing your monthly gifts made in the previous calendar year.
- Most monthly donors give [via credit card online](#), but donors can also give every month by mailing in a check.
- Want to increase your donation? If you are an online donor, contact [info@supportLPCH.org](mailto:info@supportLPCH.org). If you mail checks, simply increase the amount on the check.
- Need to update your credit card info? Call our Gift Processing team at (650) 497-8141.
- Many monthly donors give to the [Children's Fund](#), but you can become a monthly donor to an area of your choosing.
