

CYCLE FOR KIDS CANCER

Benefiting
Lucile Packard
Children's Hospital
Stanford

Join us for the 4th annual Cycle for Kids Cancer, an indoor cycling event hosted by the Division of Pediatric Hematology/Oncology at Stanford University School of Medicine and the Bass Center for Childhood Cancer and Blood Diseases at Lucile Packard Children's Hospital Stanford.

Funds raised support pediatric cancer research. Register to ride, register as a virtual rider, or donate at supportlpch.org/cycle.

September 14
5-6 p.m.
Equinox
Palo Alto
